The Training and placement cell, DAV College Jalandhar has successfully launched the YouTube channel. The main objective of this is to give a public platform to the students of the College to showcase their talent on a huge platform.

Few videos of extempore competition have been uploaded in the beginning on this YouTube channel. Further, more videos that can help students overcome their weaknesses and speak confidently in the GDs and interviews prepared by students themselves will be uploaded in future.

College is putting its best and working hard to enhance the skills of the students under the guidance of our worthy Principal DR SK ARORA congratulated the whole Training and Placement team on this achievement.
